Profile

A highly **responsible** and dedicated Software Engineer with a strong foundation in computer problem-solving and a passion for developing robust, user-friendly web experiences. I excel at taking **ownership** of my work, consistently ensuring that tasks are completed to a high standard, with a particular focus on front-end development where I combine technical expertise with a keen eye for design.

Education

BS in Software Engineering — Jan 2020 - Dec 2024
COMSATS islamabad, abbptabad campus

.

Intermediate (FSc Pre-Engineering) — 2020
The Quaid-e-Azam Public School, Swabi

.

Employment

Frontend developer — Sep 2024 - Apr 2025
Firnas.tech, Abbottabad
Working as frontend developer Developed and maintained responsive web applications using React.js, ensuring cross-browser compatibility and optimal performance. Collaborated with UX/UI designers to translate wireframes and mockups into efficient front-end code.

Frontend developer — Jun 2025 - Present
Codematics, abbottabad
Contributed to developing and enhancing responsive, user-friendly web interfaces using **React.js, HTML5, CSS3, JavaScript, and Tailwind CSS**. Collaborated with cross-functional teams to deliver scalable solutions, optimize performance, and maintain clean, reusable code. Focused on ensuring seamless user experiences across devices and browsers.

Experience

Expert at Handling Difficult Tasks I thrive in challenging environments and am an expert at navigating complex, demanding tasks. My approach involves a combination of critical thinking, persistence, and strategic problem-solving to break down intricate issues into manageable parts. This skill allows me to tackle high-pressure situations and resolve technical challenges, ensuring projects stay on track and deliver optimal results. Collaborative Team Player & Communicator I am a collaborative team player with exceptional communication skills. I believe that effective teamwork is crucial to success. I enjoy working with my colleagues, providing and receiving constructive feedback, and aligning our efforts to achieve shared goals. My commitment to open communication and mutual support helps foster a productive and positive team environment.
